

eNewsletters from Foresight Publishing

Low cost, highly effective drip marketing for insurance agents!

Create and send an eye catching client newsletter in minutes! We manage every aspect of your email newsletter campaigns - and it's easy, effective, and incredibly affordable.

Fast and easy setup • Select the eNewsletters you wish to send, import your mailing list, and let us handle the rest.

Customizable • Choose from hundreds of timely articles or use your own. Include a personalized greeting with each message. The options go on and on.

Affordable • As little as \$29.00 per month for up to 100 emails per month.

Professionally written content • Articles are written by the staff of Foresight Publishing to educate your clients and prospects. New articles added daily on commercial lines, personal lines, employee benefits, life insurance, real estate, and mortgage related topics.

Mailing list management • Our web-based application provides an assortment of list management capabilities to save your agency time in organizing and updating email contact lists. You can even setup and maintain multiple mailing lists for use with different eNewsletters.

Real-time reporting • With our powerful reporting tools, you can easily measure and track your email campaign results as they happen. Drill down to see which clients/prospects are reading your emails and what articles they've read.
